

**REMARKS**

**Claim Rejections**

Claims 1-20 are rejected under 35 U.S.C. § 112, second paragraph. Claims 1, and claims 2-20, which are dependent thereon, would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. § 112, second paragraph, as set forth in the outstanding Office Action.

**Drawings**

Applicant proposes to amend Figure 2 as illustrated in red on the attached photocopy. In Figure 1, it is proposed to change reference number "201" to read –210–. No "new matter" has been added to the original disclosure by the proposed amendment to this figure. It is believed that the foregoing proposed drawing amendment obviates the outstanding objections to the drawings. Approval of the proposed drawing change is respectfully requested.

It is noted that no Patent Drawing Review (Form PTO-948) was received with the outstanding Office Action. Thus, except for the above proposed drawing corrections, Applicant must assume that the drawings are acceptable as filed.

**Abstract of the Disclosure**

Applicant is submitting a substitute Abstract of the Disclosure for that originally filed with this application to more clearly describe the claimed invention. Entry of the substitute Abstract of the Disclosure is respectfully requested.

**Amendments to Specification**

Applicant has amended the specification as noted above to cure obvious grammatical and idiomatic inaccuracies. It is believed that the foregoing amendments to the specification overcome the outstanding objections thereto. No "new matter" has been added to the original disclosure by the foregoing amendments to the specification.

**Claim Amendments**

By this Amendment, Applicant has amended claims 1, 2, 4, 6 and 9 to obviate the outstanding rejections under 35 U.S.C. § 112. It is believed that the amended claims now specifically set forth each element of Applicant's invention in full compliance with 35 U.S.C. § 112.

Since claims 1-20 have been indicated as being allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. § 112, no detailed discussion of the cited prior art references is believed to be necessary.

**Summary**

In view of the foregoing amendments and remarks, Applicant submits that this application is now in condition for allowance and such action is respectfully requested. Should any points remain in issue, which the Examiner feels could best be resolved by either a personal or a telephone interview, it is urged that Applicant's local attorney be contacted at the exchange listed below.

Respectfully submitted,
